Dear St. Clare Parishioners:

The pastoral council decided recently that it is time for a new St. Clare Pictorial Directory. This directory is a reflection of a parish through pictures of its members and telling the story of the parish through images. Our new directory will serve to be a connection between parishioners and an excellent communication resource. New parishioners will appreciate having a directory to feel welcome and help connect with fellow parishioners. A picture is worth a thousand words!

We have decided to partner with Lifetouch Church Directories for this project. We want as many St. Clare parishioners as possible be photographed for the directory. There is no pressure or obligation to purchase portraits. You will receive a complimentary 8 X 10 portrait for taking the time to be photographed. I know you will be pleased with the quality of these professional portraits.

Our first series of portrait dates will be June 3<sup>rd</sup> through June 7<sup>th</sup>. You can select a photography appointment time by stopping by the table in the Parish Hall after Sunday Masses, signing up at the east door of the church, emailing Polly McGraw at [pmmk@comcast.net](mailto:pmmk@comcast.net) or the parish office at [office@saintclarechurch.org](mailto:office@saintclarechurch.org).

Thanks in advance for your participation in our new St. Clare Church Directory!

Yours in Christ,

Fr. Tom Farley  
Pastor
